YOU DID IT!

Because you believe in our mission and giving our families an honest shot at living their best lives, you GAVE EXTRA and

WE SURPASSED OUR GOAL!

Our dear friends,

We cannot say thank you enough. We are honored, humbled, and encouraged by your investment in our mission. **300** of our friends and neighbors donated **\$35,588** of their hard earned dollars, because they know it's going to support families in need. You helped us conquer our thirty thousand dollar goal by over \$5,000!

Over the next year, **EXTRAORDINARY** things will happen, and *you* are the reason they will be so amazing. *You* are what makes the Lancaster County community so outstanding.

Thank You.
